The Bobber Tower Needs You

Minnesota's harsh elements have worn our beloved Bobber Tower with paint chipping, falling off, and it's in need of immediate repair. To restore our Bobber Tower, we're asking for your help.

We need to raise \$90,000 with 75% of donations secured by May 31, 2024. The Bobber Tower is part of each of us. Let's work together to restore this community icon so it can continue to be a symbol of Pequot Lakes for years to come.

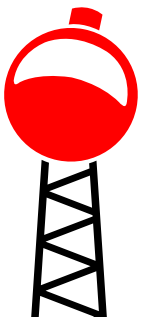

The **History**

The iconic Bobber Water tower has been a beacon of Pequot pride standing tall in our community since it was painted into a bobber in 1987. Since then, the Bobber Tower has become well known across the state and loved by all who travel Highway 371 helping draw visitors to Pequot Lakes.

The Bobber Tower is woven into the fabric of our town. Legend has it Paul Bunyan set his bobber on the tower as he kicked back in his chair below in Bobber Park. Now, you find bobbers on shirts, mugs, stickers, and about anything else you can find while shopping downtown.
